

# Earth Day Checklist

*Use the following actions as inspiration for you and your communities celebration of Earth Day!*

## Worship

- Plan an Earth day Worship Service.
- Include creation centered liturgies, scripture, music.

## Education

- Host a Film Screening or book study and Discussion.
- Take the Blessed Tomorrow Climate Ambassador Training.
- Invite an Indigenous or Black leader to speak on environmental justice.

## Building and Grounds

- Go Green to Save Green.
- Plant trees, native plant species, a pollinator/vegetable garden.
- Install Rain Barrels.

## Congregational Practices

- Align congregational finances with your faith.
- Eat according to your faith.
- Use real dishware, cloth napkins and more.

## Community

- Host a booth at local community Earth Day events.
- Collaborate with other faith communities for climate action.

## Children and Youth

- Lead an outdoor excursion (include accessibility information).
- Put on an environmental skit with youth.
- Support the mental health of children and youth.
